### Initial/ Original Question:
- Source: _______________________________ Page # or problem #: __________________________

### Key academic vocabulary/definition associated with topic/question:
1. ___________________________

2. ___________________________

### What I Know about My Question:
1. KNOW

2.

### Identify General Process / Steps:
- Visualize the information into a graphic of some type and label the parts!

### Critical Thinking about Initial Question:
- Explain your thinking process step by step from beginning to end (up to your P.O.C.).

### Question from Point of Confusion: (Must be level 2 or 3)
REFLECTION - AFTER THE TUTORIAL

My point of confusion is based on a class that I need the most help with based on current grades:  
☐ Yes  ☐ No

I was a student presenter during the tutorial today:  
☐ Yes  ☐ No

My group/tutor agrees that I asked many level 2 & 3 questions and never stole someone’s “Aha Moment”:  
☐ Yes  ☐ No

Reflection (In Class - After the Tutorial)

My (or group member___________’s) Point of Confusion was… ____________________________________________
__________________________________________________________________________________________________
__________________________________________________________________________________________________  __/1

What I specifically learned about my/a POC was… ★ OR ★ How I helped someone with their POC…____________
(ADDDETAILS!) ________________________________________________________________
__________________________________________________________________________________________________
__________________________________________________________________________________________________  __/1

Explain exactly how you gained a new/greater understanding of the topics discussed today…____________________
__________________________________________________________________________________________________
__________________________________________________________________________________________________
__________________________________________________________________________________________________
__________________________________________________________________________________________________  __/1

What I found meaningful about today’s tutorial session is…____________________________
__________________________________________________________________________________________________
__________________________________________________________________________________________________
__________________________________________________________________________________________________
__________________________________________________________________________________________________  __/1

My tutor and teacher can improve Tutorials better by…__________________________________________________
__________________________________________________________________________________________________
__________________________________________________________________________________________________
__________________________________________________________________________________________________  __/1
